Welcome to Bournville College

Bournville College for your education and training. Whether you are a school leaver

looking to continue your studies, an adult returning to education, an employer looking to train your staff or an international student, there's plenty of choice at Bournville College. If you decide to join Bournville College in 2011, you will be doing so in the most important year of their history. The new £66 million campus, which opened in Longbridge in September, will provide one of the best education and training facilities in the country. They will be taking their values and philosophy with them continuing to provide you with quality education and training which is relevant to your future, whilst giving you all the support that you need and deserve.

KATHERINE & KING'S

Katherine & King's College of London, KKCL,

is an independent further education college. They expect the college to be one of the best learning providers in West London, which is why they are always looking to improve themselves. They aim to provide a friendly, relaxed learning environment.

GREAT TEACHERS: *They have experienced and dynamic staff who enjoy teaching. The academic team carefully implement a varied and interesting syllabus to ensure your classes are enjoyable, interactive and beneficial. You are supported every step of the way at KKCL so that you can make the most of your time there.*

PERSONAL ATTENTION: *There is an average of 12 students in each class, so you get personal attention and feel encouraged to communicate effectively in English. Their highly qualified, friendly teachers are there to help you whenever needed.*

STUDENT SUPPORT: *It is very important that you feel assured and happy while you are studying at KKCL. The friendly administrators are always ready to advise and help. They do the best in assisting their students with their everyday problems, such as arranging accommodation (within walking distance from KKCL)*

Courses Offered

BSc in Applied Accounting
English Programmes
Professional Programmes
Summer Programmes
University Preparation Programmes
Postgraduate Diploma in Business Management

Bournemouth & Poole College

With over 20 years as an established provider of international study you can be assured of high quality provision, excellent facilities and well-qualified teaching professionals. Combining traditional quality standards with innovative teaching and technology, The College offers a wide range of qualifications and courses to prepare students for study at a university or to enter the work place as well qualified employees. The local region is one of natural beauty and culture, and offers many opportunities for part-time working. It truly is a great place for living, and a great place for learning.
