## Frequently asked questions

### Q1. What is the average cost of being in London as an international student?

**A.** London is a reasonably priced city offering good quality affordable living and abundant accommodation. Students will need £600- £800 a month to cover living expenses. This includes accommodation, food and transportation. This may vary depending on your budget for rent, food, transport and leisure activities.

### Q2. Are student's visas difficult to obtain?

**A.** No. if you have sufficient funds to cover the cost of study and living expenses and if you are able to demonstrate your bonafide student status, you should have no difficulty in obtaining a student visa.

### Q3. Can I work part-time?

**A.** Where a Tier 4 (General) student is following a course at any level with a Tier 4 sponsor which is not a UK Higher Education Institution, a short- term study abroad degree programme at an overseas Higher Education Institution or a publicly funded education college, he/she is not allowed to work whilst in the UK.

### Q4. Can I give the fee deposit draft to the school Representative - Job Connections

**A.** Yes. Normally students are required to pay a deposit prior to enrolment. Your offer letter will mention the details as regards to the payment of this deposit. Fee deposits should be paid by way of bankers draft or bank transfer favoring "London School of Commerce".

### Q5. Can I defer or change my course after my arrival in London?

**A.** Students will not be allowed to defer or change their course in, unless they have confirmation from the school prior to their arrival in London, Any changes should be clarified before an application is made.

### Q6. Can I work in the UK after completion of my course?

**A.** Currently, International students who have acquired a Masters Degrees or Higher qualification in any subject, may apply for a 2 year post study work visa under current immigration rules.
